

Rocky Mountain Women in Law Enforcement would like to invite you to sponsor a portion of our Annual Conference. The RMWLE Annual Conference is the largest fundraiser and awareness vehicle for the organization. Since its inception, Law Enforcement personnel have attended and supported this organization through the Annual Conference by raising funds and awareness for all law enforcement officers.

Conference participants receive training and comprehensive information on career development, education, recruitment, retention and mentoring. Because of the tremendous support we receive, and donations from our local communities statewide, we have been able to offer these opportunities to attendees from large and small agencies across the nation. For the past fourteen years, RMWLE has hosted a conference to provide training and motivation for Law Enforcement personnel nationwide, helping them prepare for career development.

In support of the Rocky Mountain Women in Law Enforcement Conference, I am asking for sponsorship in the form of donations to support the conference and offset costs associated with the event. We are seeking donations for various aspects of the conference to include items for the conference goody bags every attendee receives and products for our silent auction. Monetary donations are also graciously accepted.

In support of your donation, your company information will be included in the conference binder. This is an excellent way for you to connect with an audience of law enforcement officers who dedicate their lives to protecting our communities.

On behalf of the RMWLE Conference Team, we appreciate the generosity of your donation and support for the men and women in law enforcement.

Rocky Mountain Women in Law Enforcement is a 501(c)(3) non-profit organization. Your contribution is tax deductible to the full extent that the law allows.
